IMPORTANTE!

Al fine di effettuare una corretta scelta dei ricambi occorrenti, è necessario comunicare i seguenti dati riportati nella targhetta: Tipo di elettropompa (Type) e numero di matricola (date N°).
In caso di targhetta illeggibile, è possibile inviare anche il solo numero di fattura o d.d.t. (documento di trasporto) nel caso si tratti di vendita Italia.
Nel caso in cui non pervengano le suddette informazioni, l'Azienda declina ogni responsabilità sull'eventuale incompatibilità dei ricambi ed invita a verificare attentamente la loro rispondenza alle Vostre esigenze operative.

IMPORTANT!

In order to make a correct choice of spare parts, you are required - if possible - to communicate to us the following data on the nameplate: Type of Submersible pump (Type) and Serial Number (date N°).
In case of the nameplate being illegible, you can simply give us the invoice number and from there we can track down the serial number.
In case the above mentioned informations are not supplied, Faggiolati Pumps declines all responsabilities regarding the eventual incompatibility of the spare parts and urges you to carefully verify wether or not the spare parts are suitable for your requirements.

IMPORTANT!

Afin d'effectuer un choix correct des pièces de rechange, il est necessaire de communiquer les valeurs suivantes reportées sur la plaque d'immatriculation: Type d'électropompes (Type) et numéro de matricule (date N°).
En cas de plaque illisible, il est aussi possible d'envoyer seulement le numéro de facture ou du document de transport, dans le cas où il s'agit de ventes Italiennes.
Dans le cas où les informations ci-dessus ne parviennent pas, l'entreprise décline toute responsabilité sur l'éventuelle incompatibilité des pièces de rechanges et vous invite à vérifier attentivement leur correspondance avec vos exigences opérationnelles.

WICHTIG!

Damit eine korrekte Auswahl der benötigten Ersatzteile getroffen werden kann, müssen folgende auf der Plakette angegebenen Daten mitgeteilt werden: Typ der Elektropumpe (Type) und Seriennummer (date No.)
Falls die Plakette unlesbar sein sollte, ist es möglich, auch nur die Rechnungsnummer oder die Nummer des Lieferscheins anzugeben, falls es sich um einen Verkauf in Italien handelt.
Sollten die obengenannten Informationen nicht einlangen, lehnt das Unternehmen jede Haftung für eventuell nicht passende Ersatzteile ab und ersucht Sie, die Ersatzteile aufmerksam auf ihre Geeignetheit für Ihre betrieblichen Anforderungen zu überprüfen.

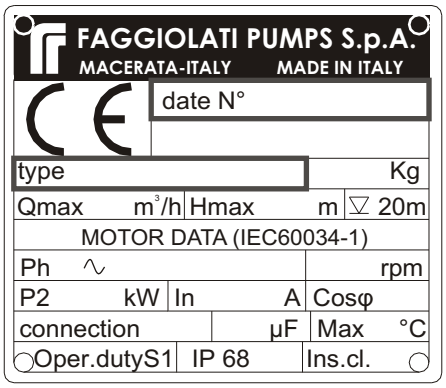

IMPORTANTE!

Con el objetivo de efectuar la correcta elección de los repuestos necesarios, deben comunicarse los siguientes datos en la placa: Tipo de electrobomba (Tipo) y número de matrícula (fecha N°).
Si la placa es ilegible, es posible enviar también el número de factura o d.d.t. (documento de transporte) solo para venta en Italia.
Si no se proporcionan las informaciones susodichas, la Empresa se exime de toda responsabilidad acerca de la posible incompatibilidad de los repuestos, por tanto lo invitamos a comprobar atentamente la correspondencia de los mismos con sus exigencias operativas.

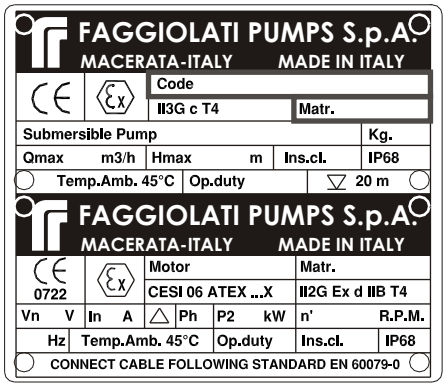

IMPORTANTE!

Para efectuar a escolha correcta das peças sobresselentes necessárias, é preciso referir os seguintes dados, indicados na placa de identificação: Tipo de electrobomba (Type) e número de matrícula (date Nº).
Se a placa não estiver lisível, é possível enviar apenas o número de factura ou do d.d.t. (guia de transporte) caso se trate de uma venda em Itália.
Se não nos forem fornecidas as informações acima referidas, a Empresa declina toda e qualquer responsabilidade sobre a eventual incompatibilidade das peças e convida-o a verificar atentamente a correspondência das memsas à suas exigências oepratívas.
